Los Angeles, California 90012

Dear Commissioners:

**APPROVE RENT COMPARABLE SYSTEM AND RELATED CONSULTING
SERVICES CONTRACT FOR THE SECTION 8 HOUSING CHOICE VOUCHER
PROGRAM (ALL DISTRICTS)
(3 Vote)**

**CIO RECOMMENDATION: (X) APPROVE
() APPROVE WITH MODIFICATION () DISAPPROVE**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Executive Director of the Housing Authority to execute a one-year Rent Comparable System and Related Consulting Services Contract (Contract), presented in substantially final form, and all related documents, with Market Vision Partners, LLC, in an amount not to exceed \$125,000, to provide Internet-based rent reasonableness services for the Section 8 Housing Choice Voucher Program, and to use for this purpose a total of \$125,000 in Section 8 Housing Choice Voucher Program Administrative Fees allocated by the U.S. Department of Housing and Urban Development (HUD).
2. Authorize the Executive Director to extend the Contract time of performance for a maximum of two years, in one-year increments, at \$70,000 each for the second and third years, using funds to be approved through the annual budget process.

3. Authorize the Executive Director to increase the contract amount by \$1,500 in each optional second and third year to provide travel expenses for additional and unforeseen on-site research visits, using the same source of funds.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of this action is to approve the award of a Contract with Market Vision Partners, LLC, for rent comparable and reasonableness consulting services for the Section 8 Housing Choice Voucher Program. Rent reasonableness comparisons are a requirement of the program and a constant necessity in the changing rental market.

FISCAL IMPACT/FINANCING:

There is no impact on the County general fund. The maximum amount for all three years of the Contract, if fully extended will be \$265,000, excluding any contingency monies.

The first year of the Contract, in the amount of \$125,000, will be funded with Section 8 Housing Choice Voucher Administrative Fees, allocated by HUD and included in the Housing Authority's approved Fiscal Year 2005-2006 budget. Costs for the first year of services include \$55,000 for system set up and \$70,000 for services.

The second and third years of the Contract will each be funded with \$70,000, using funds to be approved through the annual budget process.

A contingency in the amount of \$1,500 for each of the second and third years of the Contract, is also being set aside to provide travel expenses for any unforeseen on-site research, using the same yearly source of funds described above.

In compliance with the Chief Information Officer's guidelines, the Housing Authority will utilize the Information Technology Tracking System (ITTS) to monitor project status and contractor performance.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

Rent comparable determinations are a continuing responsibility of the Section 8 Housing Choice Voucher program. Such determinations establish the allowable rents that participating owners may reasonably charge Section 8 voucher recipients. The Housing Authority currently establishes rent reasonableness through continuing research and inspections by Housing Authority field staff when making initial rent determinations, during the annual re-certification process, and in reviewing appeals by participating owners. This process is resource-intensive and time consuming.

Basing determinations of rent reasonableness on continually-refreshed market data and a reliable, commonly-accepted statistical methodology will significantly reduce time demands on staff, allowing staff to focus on service delivery to constituent clients. The Housing Authority, therefore, wishes to enter into a Contract with Market Vision Partners, LLC, for access to online rent reasonableness reports and research for areas throughout Los Angeles County.

Services to be provided under the proposed Contract will include research and data acquisition to set up a Countywide rent comparables database for all neighborhoods, data entry, data analysis, training for Housing Authority staff and monthly updates to maintain the system's accuracy and reliability.

The proposed rent comparable system provided by Market Vision Partners, LLC meets HUD requirements, as defined in Code of Federal Regulations 982.507, HUD Notice PIH 2003-12 of May 16, 2003.

Should Market Vision Partners, LLC, require additional or replacement personnel during the term of the Contract, it will give consideration for any such employment openings to participants in the County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program and General Relief Opportunity for Work (GROW) Program who meet the minimum qualifications for the open positions. Market Vision Partners, LLC, will contact the County's GAIN/GROW Division for a list of participants by job category.

The Contract will be effective following approval as to form by County Counsel and execution by all parties. On November 16, 2005, the Housing Commission recommended approval of the Contract. In addition, the recommendation to approve the Contract has been approved by the County Chief Information Officer (CIO), based on the attached analysis.

ENVIRONMENTAL DOCUMENTATION:

Pursuant to 24 Code of Federal Regulations, Part 58, Section 58.34(a)(3), this action is exempt from the National Environmental Policy Act (NEPA) because it involves administrative activities that will not alter existing environmental conditions. The action is not subject to the provisions of the California Environmental Quality Act (CEQA), pursuant to State CEQA Guidelines 15060(c)(3) and 15378 because it is not defined as a project under CEQA and does not have the potential for causing a significant effect on the environment.

CONTRACTING PROCESS:

On August 19, 2005, the Housing Authority initiated an outreach to identify a contractor to provide a rent comparable system and consulting services for the Section 8 Housing Choice Voucher Program. Notices of the availability of the Request for Proposals (RFP) were mailed to 353 firms identified from the Housing Authority's contractor list. Advertisements also appeared in the Los Angeles Times newspaper, on the County's WebVen website and the Housing Authority's website. Ten RFP packages were requested and distributed.

On September 12, 2005, four proposals were received. Two proposals were determined to be non-responsive to the requirements set forth in the RFP. The two remaining proposals were evaluated. The proposal submitted by Market Vision Partners, LLC, was determined to be the most responsive and lowest cost of the two qualified proposals, and is therefore being recommended for the Contract award.

The Summary of Outreach Activities is provided as Attachment A.

IMPACT ON CURRENT PROGRAMS:

The proposed Contract will allow the Housing Authority to improve the efficiency and effectiveness of its efforts to comply with rent reasonableness requirements, permitting improved services to both clients and participating housing owners.

Respectfully submitted,

RENT COMPARABLE SYSTEM FOR THE SECTION 8 HOUSING CHOICE VOUCHER PROGRAM

Summary of Outreach Activities

On August 19, 2005, the following outreach was initiated to identify a contractor to provide a rent comparable system and consulting services for the Section 8 Housing Choice Voucher Program.

A. Request for Proposals (RFP) Advertising

An RFP announcement appeared in the Los Angeles Times. The announcement was also posted on the County's WebVen website and on the Housing Authority's website. Email notifications were also sent to three vendors (Market Vision Partner, LLC, Applied Real Estate Analysis, Inc., and Emphasis Computer System), per staff request.

B. Distribution of Proposal Packets

The Housing Authority's vendor list was used to mail notices of the RFP to 353 contractors, of which 247 identified themselves as businesses owned by minorities or women (private firms which are 51 percent owned by minorities or women, or publicly-owned businesses in which 51 percent of the stock is owned by minorities or women). As a result of the outreach, 10 proposal packets were requested and distributed.

C. Proposal Results

On September 12, 2005, proposals were received from a total of four firms, two of which identified themselves as minority- or female-owned. The Housing Authority encourages the participation of minorities and women in the contract award process, including: providing information about the Housing Authority at local and national conferences; conducting seminars for minorities and women regarding the Housing Authority's programs and services; advertising in newspapers to invite placement on the vendor list, and mailing information to associations which represent minorities and women. The above information has been voluntarily provided by the firms.

The recommendation to award the Contract is being made in accordance with the Housing Authority's policies and federal regulations, and without regard to race, creed, color, or gender.

It is the policy of the Housing Authority, Commission, and County to conduct business only with responsible contractors.
- B. The Contractor is hereby notified that if the Housing Authority acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the Housing Authority may, in addition to other remedies provided in the contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on Housing Authority contracts for a specified period of time, which generally will not to exceed five years but may exceed five years or be permanent if warranted by circumstances, and terminate any or all existing contracts the Contractor may have with the Housing Authority, Commission, or County.
- C. The Housing Authority may debar a contractor if the Board of Commissioners finds, in its discretion, that the contractor has done any of the following: (1) violated any term of a contract with the Housing Authority, Commission, or County or a nonprofit corporation created by the Housing Authority, Commission, or County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the Housing Authority, Commission, or County,

any other public entity, a nonprofit corporation created by the Housing Authority, Commission, or County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the Housing Authority, Commission, County, or any other public entity.

- D. If there is evidence that the Contractor may be subject to debarment, the Housing Authority will notify the Contractor in writing of the evidence, which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Housing Authority shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Commissioners.
- F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contract Hearing Board shall be presented to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.
- G. If a Contractor has been debarred for a period longer than five years, that Contractor may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The Housing Authority may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the Housing Authority.
- H. The Contractor Hearing Board will consider a request for review of the debarment determination only where (1) the Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the ground for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment Hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

- I. These terms shall also apply to subconsultants of County, Housing Authority, or Commission contractors.

32. COMPLIANCE WITH JURY SERVICE PROGRAM

- A. Unless Contractor has demonstrated to the Housing Authority satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program or that Contractor qualifies for an exception to the Jury Service Program, Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
- B. For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has a contract with the Housing Authority or a subcontract with a Housing Authority contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more Housing Authority contracts or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the Housing Authority, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the Housing Authority under the Contract, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Contract and a copy of the Jury Service Program shall be attached to the Contract.
- C. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify Housing Authority if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The Housing Authority may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the Housing Authority's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.
- D. Contractor's violation of this Section of the contract may constitute a material breach of the Contract. In the event of such material breach, Housing Authority may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future Housing Authority contracts for a period of time consistent with the seriousness of the breach.

33. ACCESS AND RETENTION OF RECORDS

The Contractor shall provide access to the Housing Authority, the Federal Grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers and records of the Contractor which are directly pertinent to this Contract for the purpose of making audits, examinations, excerpts and transcriptions.

The Contractor is required to retain the aforementioned records for a period of five years after the Housing Authority pays final payment and other pending matters are closed under this Contract.

34. CONFLICT OF INTEREST

The Contractor represents, warrants and agrees that to the best of its knowledge, it does not presently have, nor will it acquire during the term of this Contract, any interest direct or indirect, by contract, employment or otherwise, or as a partner, joint venture or shareholder (other than as a shareholder holding a one (1%) percent or less interest in publicly traded companies) or affiliate with any business or business entity that has entered into any contract, subcontract or arrangement with the Housing Authority. Upon execution of this Contract and during its term, as appropriate, the Contractor shall, disclose in writing to the Housing Authority any other contract or employment during the term of this Contract by any other persons, business or corporation in which employment will or may likely develop a conflict of interest between the Housing Authority's interest and the interests of the third parties.

35. SEVERABILITY

In the event that any provision herein is held to be invalid, void, or illegal by any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Contract and shall in no way affect, impair or invalidate any other provision contained herein. If any such provision shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

36. INTERPRETATION

No provision of this Contract is to be interpreted for or against either party because that party or that party's legal representative drafted such provision, but this Contract is to be construed as if drafted by both parties hereto.

37. WAIVER

No breach of any provision hereof can be waived unless in writing. Waiver of any one breach of any provision shall not be deemed to be a waiver of any breach of the same or any other provision hereof.

38. PATENT RIGHTS

The Housing Authority will hold all the patent rights with respect to any discovery or invention, which arises or is developed in the course of, or under this Contract.

39. COPYRIGHT

No report, maps, or other documents produced in whole or in part under this Contract shall be the subject of an application for copyright by or on behalf of the Contractor. All such documents become the property of the Housing Authority and the Housing Authority holds all the rights to said data.

40. NOTICES

The Housing Authority shall provide the Contractor with notice of any injury or damage arising from or connected with services rendered pursuant to this Contract to the extent that Housing Authority has actual knowledge of such injury or damage. Housing Authority shall provide such notice within ten (10) days of receiving actual knowledge of such injury or damage.

42. CONTRACTOR'S ACKNOWLEDGMENT OF HOUSING AUTHORITY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW

The Contractor acknowledges that the Housing Authority places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the Housing Authority's policy to encourage all Housing Authority Contractors to voluntarily post the Housing Authority's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The Department of Children and Family Services of the County of Los Angeles will supply the Contractor with the poster to be used.

43. CONTRACTOR'S CHARITABLE CONTRIBUTIONS COMPLIANCE

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions Certification as included in *Attachment C – Required Contract Forms*, the Housing Authority seeks to ensure that all Housing Authority contractors that receive or raise charitable contributions comply with California law in order to protect the Housing Authority and its taxpayers. A Contractor that receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings, or both.

STATEMENT OF WORK

STATEMENT OF WORK
PUBLIC HOUSING SYSTEM AND CONSULTING SERVICES

1.0 SCOPE OF WORK

1.1 General Background

Market Vision Partners, LLC, (hereinafter Contractor) will provide a Rent Comparable System in accordance with the Code of Federal Regulations (CFR) 982.507, HUD Notice PIH 2003-12 issued May 16, 2003 and will update it continuously in accordance to HUD regulation changes by HUD deadlines. The purpose of the Housing Authority's Rent Comparable Database is to ensure the following:

1. A fair rent is paid for units rented under the Housing Choice Voucher and other Housing Programs.
2. The approved rent does not have the effect of inflating rents in the community.

Contractor's system was designed with the purpose of satisfying (CFR) 982.507. The system has been presented to several HUD regional offices and a HUD national statistician.

Contractor's system was in compliance with the May 16, 2003 notice when it was issued; no other significant changes to rent reasonableness regulations have been implemented by HUD since then. When changes to regulations occur, Contractor is responsible for prompt updating of its software.

Implementation of the contract will proceed according to the project plan appended to the end of this Scope of Work.

2.0 GENERAL REQUIREMENTS

- 2.1. Contractor will assign a Planning/Project Manager to the contract with at least two (2) years of experience with consulting services similar to the services identified in this Statement of Work. The Project Manager position will be filled by Mr. Philip Geissler. Mr. Geissler has three years of experience in Rent Reasonableness Services. Client contact and overall supervision will be maintained by Regina Geissler, CEO, who has five years of rent reasonableness experience out of a total of 20 years of real estate and real estate consulting experience.

- 2.2. Contractor shall provide qualified and experienced personnel required to perform all work in accordance with the Statement of Work.
- 2.3 Contractor's system allows end user to enter information for a rental unit to determine the reasonableness of the asking rent. Based upon the user-entered characteristics, the system provides the market derived range of reasonable rent from one standard deviation below the median to one standard deviation above the median. The underlying rent calculation is based upon statistical multiple regression and takes into consideration the following:
 - 2.3.1 The current rent charged for comparable in the private, unassisted market at the time of initial leasing, including any advertised rents being charged by the owner for unassisted units in the same building or premises, provided owner's rental information was collected during market research. Client user may at any time provide information on an owner's unassisted units for inclusion into the database.
 - 2.3.2 The characteristics that contribute to value are all considered in the calculation. The market or reasonable rent for units in all areas is affected by location, bedroom count, overall size of unit, provision of utilities and appliances. The market or reasonable rent in most areas is affected by the type of unit or building. The value contributed by amenities in a unit may vary significantly by market area. The relative value of all of the listed characteristics is calculated by location-based analyses.
- 2.4 Contractor's system will document the following:
 - 2.4.1 All user-entered identifying information and user-entered characteristics that affect the reasonable rent determination.
 - 2.4.2 The reasonable rent range, allocation of utility costs, and a representative sample of comparable rents used in the underlying rent reasonableness statistical calculation. Since the test is statistical and mathematical in nature, the sample units will not constitute the entire body of data considered in developing the analyses.
 - 2.4.3 The system report will document a certified reasonable rent and approved housing authority rent provided that the asking rent falls within the range of reasonable rent calculated. The system *cannot* correct for user errors such as incorrectly entered size, or faulty quality description.

REQUIRED CONTRACT NOTICES

Notice 1015

(Rev. December 2004)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

What's New. Workers cannot claim the EIC if their 2004 investment income (such as interest and dividends) is over \$2,650.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2004 are less than \$35,458 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2005.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676, or from the IRS website at www.irs.gov.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2004 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2004 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2004 and owes no tax but is eligible for a credit of \$791, he or she must file a 2004 tax return to get the \$791 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2005 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You **must** include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.

Project/Contract Description:

The Community Development Commission (CDC) is seeking your approval of a contract for a maximum contract sum of \$268,000 with Market Vision Partners (Contractor) to provide rent reasonableness information services under the Section 8 Housing Choice Voucher Program. The software will provide CDC staff with information concerning the reasonableness of housing rents being charged by the owners of the rental property throughout Los Angeles County.

Background:

CDC staff currently collects the information concerning the reasonableness of housing rents manually. CDC discovered through discussions with other cities within Los Angeles County that automated services are available to provide this information and issued a competitive solicitation for vendors to provide this information service. The competitive solicitation process identified the Contractor as the highest rated vendor. CDC now wishes to contract with the Contractor to provide the information services utilizing an Internet-based software program set up and hosted by the Contractor. The software program used to provide the rent reasonableness information is named a Rent Comparable System (RCS).

There is no impact on the County's General Fund. The contract amount of \$268,000 will be funded with Section 8 Housing Choice Voucher Administrative Fees. The software setup and first year information service costs of \$125,000 are included in CDC's approved Fiscal Year 2005-2006 budget. The second and third years of \$70,000 each will be funded through the annual budget process and included in future approved Fiscal Year budgets. The second and third years also have a maximum travel allowance of \$1,500 for each year for unforeseen on-site research that may be needed.

Project Justification/Benefits:

The project will reduce CDC staff time need to collect information concerning the reasonableness of housing rents manually and allow CDC management to reassign these resources to other duties.

Project Metrics

The Statement Of Work (SOW) for the project defines the RCS software, the rental unit types, the geographical areas covered, the technical assistance required and the database and technical specifications.

The RCS software setup consists of the Contractor entering rental information for geographical areas that are not part of their existing database. CDC has set up an initial payment to initiate this process and a final setup payment when the rental information setup is complete.

Impact On Service Delivery Or Department Operations, If Proposal Is Not Approved

If this contract is not approved, CDC will continue to devote staff to collect this information concerning the reasonableness of housing rents manually.

Alternatives Considered:

Other alternatives considered would include designing and building the application internally using CDC staff or continuing to obtain the information manually using CDC staff. County of Los Angeles IT Directions Document requests that department and Commissions purchase or use Commercial Off The Shelf (COTS) information technology products whenever possible. CDC has elected this approach.

Project Risks:

The fee schedule for the contract is constructed with an initial setup payment of \$25,000 and a final setup payment of \$30,000 for the entry of rental information for geographical areas that are not part of their existing database. The setup requires no program modifications; only the entry of new information. The risks to the County are minimal as long as CDC monitors the Contractor's progress.

The RCS application has been in production for several years and has clients within Los Angeles County as well as within the states of Ohio and Pennsylvania. There is no developmental activity and, as such, presents minimal risk to the County.

The yearly service fee payments are due quarterly. The financial exposure for the County is minimal.

Risk Mitigation Measures:

CDC will be monitoring the entry of the rental information for geographical areas that are not part of Contractor's existing database to ensure that the process is completed to CDC's satisfaction.

Financial Analysis:

The financial components of the proposed contract are:

Software setup charges	\$55,000
First year use and hosting fee	\$70,000
Second year use and hosting fee	\$70,000 with \$1,500 travel expense maximum
Third year use and hosting fee	\$70,000 with \$1,500 travel expense maximum
Total contract amount	\$268,000

CIO Concerns:

None.
